

Recruitment Notice

No.	Items	Contents
1	Affiliation	Life Science Course, Department of Life Science, Graduate School of Engineering Science
2	Position	Associate Professor or Lecturer
3	Number of Position	1
4	Major	Physiology, Pharmacology, or their related fields
5	Subjects	Molecular Biology I , II , Physiology I , II , Biology Experiment III , Advanced Physiology I , II
6	Qualifications	<p>(1) In case of the position of a lecturer, the applicant must have completed the final academic background within about 10 years at the time of April 1st, 2023.</p> <p>(2) The applicant must have a Ph.D. or expect to have a Ph.D. before the date of employment.</p> <p>(3) The applicant must have knowledge in Physiology and Molecular Biology. Must have profound knowledge and research achievement in the field of Physiology and/or Pharmacology such as physiological measurements, pharmacodynamics, mechanisms of drug action. Must continue the researches at even higher levels.</p> <p>(4) The applicant must be highly motivated with education, research and governance of the course based on the understanding the situation of Akita university. Also, skills to smoothly communicate with staffs and students are required.</p> <p>(5) The applicant must be able to give lectures in English..</p> <p>(6) The applicant must have passion for the education of bachelor and graduate course programs. We accept anybody irrespective of nationality. But, Must have the competence to understand and speak Japanese to extent needed for research, education and governance of the course.</p>
7	Date of Adoption	April 1st, 2023
8	Payment	Annual Salary System
9	Term	Full Time (Tenured)
10	Required Documents	<p>(1) Desired position, an associate professor or a lecturer</p> <p>(2) Curriculum vitae with a photo attached (including educational background, business career, affiliated academic society, reward and punishment)</p> <p>(3) Certificate of diploma or Photocopy of diploma</p> <p>(4) List of publication (books, doctoral thesis, published papers and accepted papers in peer review journals, proceedings of international conference, other papers and patents) When a paper is accepted and before publication, the copy of the acceptance mail is required.</p> <p>(5) Reprints of main publications (up to five pieces of significant papers, photocopy is available) and brief explanations of academic contributions about them</p> <p>(6) Summary of previous research and perspective on the applicant's future research (Approx. 2pages, A4 paper)</p> <p>(7) Summary of educational experience and perspective on education in Akita University (Approx. 2pages, A4 paper)</p> <p>(8) List of acquired external funding (Grant in Aid for Scientific Research, collaborative research and funded research, etc.)</p> <p>(9) Background of activities in academic society (committee and so on)</p> <p>(10) Background of social activities</p> <p>(11) Record of awards</p> <p>(12) Names and contact addresses of two persons who can be inquired concerning the applicant (Address, phone number and E-mail address, etc.)</p> <p>(13) Contact information of the applicant (Address, phone number and E-mail address, etc.)</p>
11	Deadline	No later than August 31(Wed), 2022
12	Selection Method	First screening: document screening; Second screening: interview (Face to face or online).
13	Destination (Contact)	<p>Masafumi Odaka Life Science Course, Department of Life Science, Graduate School of Engineering Science, Akita University, Tegata-gakuen-machi, Akita, 010-8502, JAPAN Phone: +81-18-889-2091, Fax:+81-18-889-3050 E-mail: modaka@gipc.akita-u.ac.jp</p>

14	Notice	<p>A teacher recruited by this public offering will belong to one of the courses of the graduate school of engineering science, i.e., Life Science Course, Applied Chemistry Course, Materials Science and Engineering Course, Mathematical Science Course, Electrical and Electronic Engineering Course, Human-Centered Computing Course, Mechanical Engineering Course, Civil and Environmental Engineering Course and Cooperative Major in Life Cycle Design Engineering.</p> <p>Akita University has 'Kurumin mark' as child-rearing support company. https://www.akita-u.ac.jp/coloconi/</p> <p>Younger researcher is welcome.</p>
15	Misc.	Write 'Application ' on the envelope and send by registered mail. The documents will not be returned.
