Recruitment Notice

No.	Items	Contents
1	Affiliation	Civil and Environmental Engineering Course. Department of Systems Design Engineering
2	Position	Professor
3	Number of Position	1
4	Major	Coastal marine engineering
5	Subjects	(1) Undergraduate: Coastal Engineering, Hydraulics I / II, Master Course: Advanced Hydraulics , Doctor Course: Advanced on Numerical Hydraulics (2) Jointly in charge of the following subjects with other staffs: Exercise on Hydraulics, River Engineering, Exercise on Civil and Environmental Engineering Laboratory Work, Engineering Ethics, in Undergraduate
6	Requirement	(1) The applicant must hold a PhD. (2) The applicant must have have research achievements and academic knowledge in the field of coastal marine engineering, that can practice sea state evaluation in fields such as external force evaluation against floating body rocking due to waves, research and development of sea state measurement technology, etc. Those who can actively collaborate with external organizations and can promote high-level research activities after arrival. (3) The applicant must be highly motivated with education, research and governance of the course understanding the conditions of Akita University. Also, skills to smoothly communicate with staffs and students are required, using Japanese. (4) The applicant must be able to give lectures in English. (5) The applicant must have passion for educaions in bachelor and graduate course programs. Nationalities is no object, however the applicant must be able to use Japanese to the extent needed for research, education and governance of the course.
7	Date of Adoption	Apr. 1 2023
8	Payment	Annual Salary
9	Term	Full Time
10	Required Documents	(1) Resume with a photo attached(including educational background, business career, affiliated academic society, reward and punishment) (2) Certificate of diploma or Photocopy of diploma (3) List of publication(books, doctoral thesis, published papers and accepted papers in peer review journals, proceedings of international conference, other papers and patents)When a paper is accepted and before publication, the acceptance mail is required. (4) Reprint of main publications, photocopy is available (up to 5) (5) Summary of previous research and plan of future research (Approx. 2pages, A4 paper) (6) Summary of educational experience and ambition of education in Akita University (Approx. 2pages, A4 paper) (7) List of acquired external funding (Grant in Aid for Scientific Research, collaborative research and funded research etc.) (8) Background of activities in academic society (committee and so on) (9) Background of social activities (10) Record of awards (11)Name and contact address of two persons who can be inquired concerning the applicant (Address, phone number and E-mail address etc.) (12) Contact information of the applicant (Address, phone number and E-mail address etc.)
11	Deadline	No later than Aug. 31, 2022
12	Selection Method	First selection is documents. Second selection is interview(Face to face or online).
13	Destination (Contact)	Prof. Hidekatsu Hamaoka, Devision Head, Civil and Environmental Engineering Course, Department of Systems Design Engineering, Graduate School of Engineering Science, Akita University, Tegata-gakuen-machi, Akita, 010-8502, JAPAN Phone: +81-18-889-2974, Fax:+81-18-837-0407 E-mail: hamaoka@ce.akita-u.ac.jp

14	Notice	A teacher recruited by this public offering will belong to one of the courses of the graduate school of engineering science, i.e., Life Science Course, Applied Chemistry Course, Materials Science and Engineering Course, Mathematical Science Course, Electrical and Electronic Engineering Course, Human-Centered Computing Course, Mechanical Engineering Course, Civil and Environmental Engineering Course and Cooperative Major in Life Cycle Design Engineering. Akita University has 'Kurumin mark' as child-rearing support company. https://www.akita-u.ac.jp/coloconi/ Younger researcher is welcome.
15	Misc.	Write 'Application ' on the envelope and send by registered mail. The documents will not be returned.
